PRAY 2026

He said to them, “**When you pray, say, ‘Our Father in heaven, may your name be kept holy. May your Kingdom come. May your will be done on earth, as it is in heaven.’**” Luke 11:2

Take Action – Reach Your Community!

Pray for Pro-Life in Vietnam in 2026:

The Church: God chose the church to be His agent of personal and social transformation. Pray the church in Vietnam will be trained and equipped to rescue babies and stop abortion. Pray for many trainings in 2026. Pray every training brings healing, and a strong conviction to act! Pray the leaders of 1,100 churches, already trained, will teach all their churches in 2026.

Local Teams: As believers get a burden, pray they will quickly form effective Pregnancy Help Teams and begin reaching women and babies in their community! Pray they will gain trust within community – schools, uni-students, factory workers etc.

Pastors: Pray for pastors to get a burden to support pregnancy help ministries and speak out against abortion. Pray for unity between pastors and churches – to become one voice against abortion to their city leaders.

Look, children are a heritage (a gift) of the Lord. The fruit of the womb is a reward. Psa. 127:3

Pray abortion becomes unthinkable in Vietnam - that parents will treasure their children as the gifts from God they truly are and welcome them with joy!

Counseling Corners to open inside clinics: (Read Love Unites on our website). Women in pregnancy crisis go to clinics, but don't get the counsel they need. Churches have women able to counsel. Pray churches and clinics will cooperate so women will be counseled and babies saved. Pray for favor on the church, and clinics willing to invite the church in to open *Counseling Corners*. Pray the church will be seen as a great source of help.

Online Counseling. Pray more women will take time to reach out to women in pregnancy crisis looking online for abortion advice or services. Pray for church leaders to support this work. Pray for God's favor and leading on the counselors.

Medical Professionals: Pray doctors and nurses will stop performing abortions! Pray Health Department officials will enact policies that reflect the value of life. Pray for key contacts with city leaders and health professionals for discussions.

Pray for the Youth of Vietnam: Pray Vietnam's young generation will choose to wait until marriage and will have strong families where babies conceived are treasured and safe.

'My Little Book about Big Issues,' helps 12-19-year-olds make responsible choices, form stronger families, and avoid pre-marital sex, unwanted pregnancy and abortion. It confronts the ungodly 'safe-sex' myth, teaching the purpose and connection between sex, marriage and babies. It is biblical yet non-religious, so it can be printed with permission, so believers can use it in their community with youth, parent groups and their local schools (as *allowed*).

Pray the book (and lessons) will be approved to distribute and teach in schools. Pray it will be well received by friends, neighbors, class-mates. Pray that parents will use the book to talk about sex and marriage with their children.

Abortion is *NOT normal* – it's a *crisis*!

Queen Esther risked her life to save her people, saying “*If I die, I die!*” The crisis pushed her to act, not to save herself, but to save her people! When Haman had been hanged, she may have felt safe, but she didn't relax for a moment, *her people's crisis was her crisis too!* Esther, didn't use her status to save *herself*, but rather *God was using* Esther's special position in life to deliver His people from destruction, like Mordechai had said, perhaps this was the very reason she was Queen! Esther's heart broke!

Now Esther spoke again to the king, fell down at his feet, and implored him with tears... “***Indeed, how can I bear to see this disaster happen to my people? How can I bear to see the destruction of my kinsmen?***” Esther, chapter 8

Today babies face destruction by abortion every day, and ‘how can we bear to see it’ - how can we live as normal with abortion? As Christians we are not called to live as normal, but to live for Him who died for us (2 Cor 5:15), and he taught us to pray for God's Kingdom to come and God's will to be done on earth! Babies being aborted is *not* God's will *nor is it normal* – it's evil!

**So, let's ask God to break our hearts over the loss of these precious babies – that their crisis will be our crisis!
Let's unite in fervent prayer to stop abortion!**

Thank you for praying with us.
